

EDGAR CAYZAC

STUDENT

Currently in the first year of the engineering program at ENSEEIHT in Toulouse, specialising in fluid mechanics, energy, and environment.

06 48 10 14 03

edgar.cayzac81@gmail.com

Toulouse

SOFT SKILLS

- Autonomy
- Ambitious
- Adaptable
- Hard-working

TCEHNICAL SKILLS

- Python
- Data analysis and modelling
- Fluid mechanics
- Thermodynamics

Languages

English

Spanish

INTERESTS

- Football (since 2011)
- Drums (since 2012)

  Level: Elementary 2
  Winner of the Coupe de France 2023 (Elementary 1 category)

EDUCATIONAL BACKGROUND

ENSEEIHT, TOULOUSE

2026 – present: Engineering degree, Fluid Mechanics, Energy and Environment track

CPGE DÉODAT DE SÉVERAC, TOULOUSE

2024–2026: PCSI / PC (preparatory classes for the French engineering schools)

BELLEVUE HIGH SCHOOL, ALBI

2021–2024: French general baccalaureate

- Specialisms: Mathematics, Physics-Chemistry
- Option: Advanced Mathematics
- First-year specialism: Economic and Social Sciences

BELLEVUE MIDDLE SCHOOL, ALBI

2017–2021: Brevet des collèges (middle school diploma), with highest honours (Très Bien)

PROJETS

TIPE (RESEARCH PROJECT): PLA VALORISATION

- Hydrolytic degradation kinetics of PLA (water, NaOH, saltwater) at different temperatures
- Synthesis and purification of sodium lactate
- Gelling properties of calcium lactate (alginate beads, texture analyser)
- Data processing and modelling in Python

EXPERIENCES

- 2024: Temporary work: road marking, and agri-food factory
- 2023: Leisure centre activity leader (childcare)
- 2022: Seasonal farm worker (corn detasseling)
- 2020: Work-experience placement, restaurant L'Épicurien
